THE QUEEN---------

That girl...
Give it to me!
She not only can defeated the snake grass, she can even see me. It can clearly be said that her soul is compatible with mine. Surely, it could help me be reborn!
After I'm reborn again, the Prince will guard by me. And when that time comes.
The prophecy girl is no longer necessary!
HER HIGHNESS, WHY DO YOU WANT HER?

I was confined inside Saint Halena's gemstone that was inlaid in your left eye.
day after day, year after year, to let me find a body for me to be reborn!
This year, I have reached the millennium period.

I... I can't believe this! I gave my first kiss to someone I do not love.
And also, I gave it unknowingly, groggy...
How you called me to accept it!!
Otherwise...
I'll see him as a daytime prince...
If I think like this, maybe it can make me feel better.
Anyway their appearance is the same

What I'm thinking, wuaa. I really am a big anthomaniac* I don't have any morality, even just a little.
